IV. Deadline

- The deadline for SPRING application is the end of January.
- The deadline for AUTUMN application is the end of June.

V. Admission

Admission will be determined according to the applicant's materials. The eligible candidate will get an Acceptance letter (LOA) through the online application system. The candidate has to transfer the money to school account first according to LOA to get the seat confirmed. The school will issue admission letter and JW202 form after receiving the money and mail the original documents to students.
